RENTAL

CROSSLINK RENTAL:

Before you invest in a dry ice blasting system, take the opportunity to try one of our machines by first renting! We rent the KG30 machine, designed for a wide variety of cleaning environments. This gives you the opportunity to test our machine on different applications within your facility. This way you can see first hand how an IceTech dry ice blasting machine can benefit particular cleaning needs!

Rental machines come complete with:

- Ice Gun
- 32 Ft. Blasting Hose
- 32 Ft. Air Supply Hose
- Power Cord
- Standard Box of Nozzles - IT2
- Shipping container

You will need to provide:

- Air Supply - Clean and Dry with 100 PSI and 185 CFM.
- Dry Ice "Blast Rice"

Safety Items:

- Gloves
- Ear Protection
- Safety glasses / Face Shield

Rental Rates:

- \$300 per day
- Minimum 3 day rental period
- Weekly rate is \$1,200.
- Shipping cost are absorbed by renter

CROSSLINK can provide Dry Ice Blasting rice upon request. Please inquire on regional availability and price.
